Laundromats meet the basic human need for clean clothes and they do so with speed – turning laundry “day” into laundry “hour.” That’s the reason the vended laundry business continues to attract customers. Laundries generate \$5 billion annually, according to the Coin Laundry Association, and are also attracting investors with advantages such as:

- Great ROI of 25 to 35 percent
- Cash business
- Payment upfront
- Flexible management – investors can be as involved as they like
- No franchise fees, and little to no employee expense

HUEBSCH®: YOUR SMART LAUNDRY PARTNER

AESTHETICS CREATE AN EXPERIENCE

Today's vended laundry is far more than the stark space filled with equipment it was decades ago. Savvy owners know that consumers increasingly expect an "experience." Simply put: paying attention to the details as they relate to colors, décor and gathering spaces creates an experience that customers not only want to visit, but will pay more for. Your smart laundry partner has you covered here as well, with design accents and color schemes to set your laundry apart.

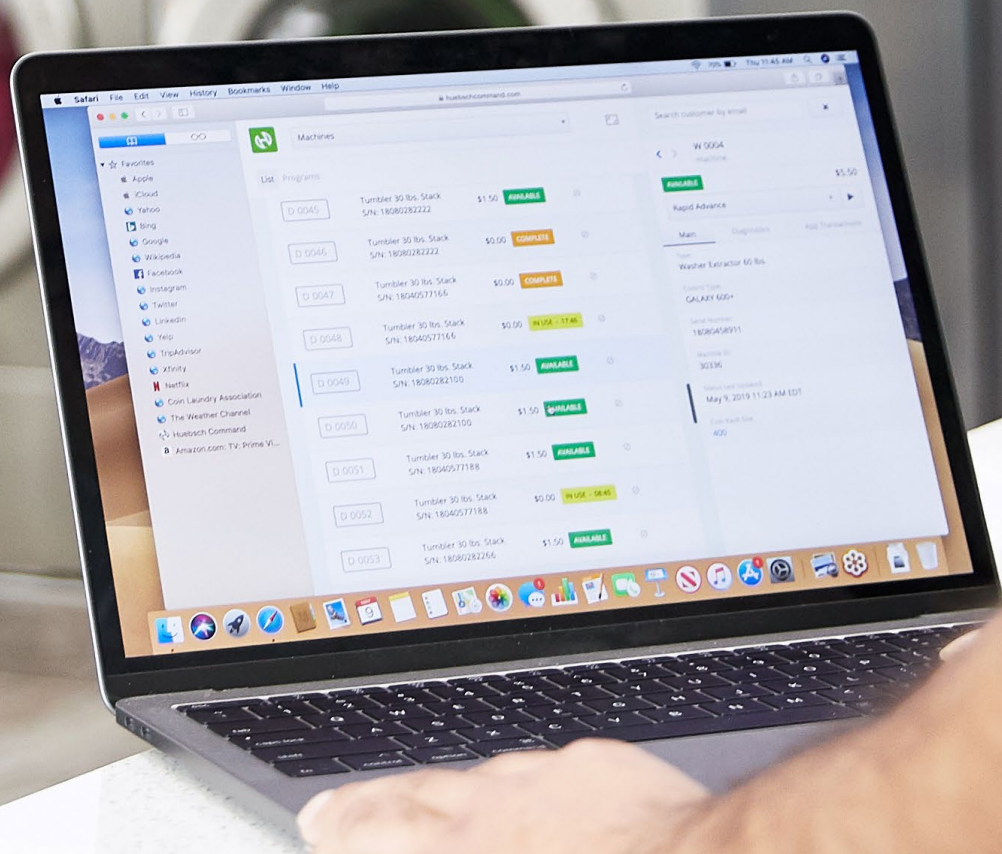

HUEBSCH COMMAND™: POWERFUL MANAGEMENT

Huebsch takes management ease and flexibility to the next level with the cloud-based Huebsch Command laundry management system. From at-a-glance dashboards that show the day-to-day numbers, to advanced reporting, monitoring and configuration capabilities, Huebsch Command enables owners to run their business remotely and not miss a thing.

Among the features, include:

- Advanced store performance data
- Remote machine starts and system monitoring
- Service alerts via email or text
- Cloud-based machine programming
- Automatic system updates
- Ability to set pricing
- 24/7 Support through Huebsch Care
- Lifetime hardware warranty*

**with active Huebsch Care agreement.*

A CUTTING-EDGE CUSTOMER EXPERIENCE

It's all about options for the laundry customer, and when you pair the Huebsch App with the wash and dry options of Galaxy 600 equipment, your store is ready to dominate the market. The Huebsch App and Huebsch Value Center deliver payment flexibility for the ultimate in customer convenience. This combination offers:

- Cash and cashless options for mobile wallet reloading
- Easy mobile payments
- Huebsch Rewards loyalty program
- Cycle status countdown timer
- End-of-cycle alerts

YOUR SMART LAUNDRY PARTNER

Anybody can sell you laundry equipment, hook it up and walk away. However, in this business, the right partner helps you maximize your business investment and potential. From our more than 100-year history and skilled distribution network, to cutting-edge equipment and a wide range of services (before, during and after the sale), Huebsch truly is your smart laundry partner. We also back that up with industry-best warranties.

And as part of Alliance Laundry Systems, the world leader in commercial laundry, you'll have peace of mind that every interaction with Huebsch will be world class.
